Goal/Federal Requirement/Key Finding	Original Application	Revision	Justification
Ex: Increase Learning Time	Ex: The school budgeted \$50,000 for the before and after school program mandatory for all students.	Ex: The school did not budget enough funds for the before and after school program for all students to attend. The school needs to add \$50,000 to fulfill all staff salaries.	Ex: In order for all students to attend the before and after school program for the 200 student days, the school will need to move funds from technology and supplies over to instruction to fulfill all staff salaries.
<i>Develop Teacher Effectiveness</i>	The school originally budgeted \$80,202.00 for an instructional coach; however, the coach could not coach this year due to COVID & needing to be in one classroom.	We will allocate \$26,500 to cultural mastery cohorts for all staff members in the building.	In order to actualize the vision of becoming a culturally healthy school, we will need to partner with EducatorAide, a cultural company, to provide PD and coaching.
<i>Implement Comprehensive Instructional Reform Strategies</i>	The school originally budgeted \$80,202.00 for an instructional coach; however, the coach could not coach this year due to COVID & needing to be in one classroom.	We will allocate \$25,000 for software licenses in partnership with BrainWare.	BrainWare is a software that engages students in a neuroscience-based learning program. BrainWare is the only company that supports students in academics by cognitively training how the brain builds a foundational cognitive infrastructure for learning.
<i>Implement Comprehensive Instructional Reform Strategies</i>	The school originally budgeted \$80,202.00 for an instructional coach; however, the coach could not coach this year due to COVID & needing to be in one classroom.	We will allocate \$26,488.98 to 1st MakerSpace to support the increased rigor of our STEM program.	1st MakerSpace is a sole provider of MakerSpace equipment with targeted teacher training on how to use the equipment and engage teachers in how to engage students. The dollar amount for 1st MakerSpace will be split between supplies and property as required by the State Board of Accounts.
<i>Develop Teacher Effectiveness</i>	The school originally budgeted \$80,202.00 for an instructional coach; however, the coach could not coach this year due to COVID & needing to be in one classroom.	We will allocate \$2,213.00 for teacher stipends in order to honor their time when engaging in PD on how to utilize the 1st MakerSpace equipment.	Teachers will be engaging in this PD on non-contract time.
